

# Our business is your business.

Partner with us as we prepare students to be college and career ready.

Help to:

- strengthen the economy
- support and increase financial independence
- develop more entrepreneurs
- increase the number of jobs available
- promote the free enterprise system
- enhance technology skills and knowledge
- prepare a more informed and productive citizen
- contribute to common core and literacy skills

*Discover and support  
business education courses.*

*It's everybody's business!*
